

Instruction for Authors

Submission of the manuscript

All papers (in electronic version either on compact disc or by e-mail) should be submitted directly to Editor:

Editor
Acta Poloniae Pharmaceutica –
Drug Research
16 Długa St.
00-238 Warsaw
Poland
or mfbjars@cyf-kr.edu.pl

We understand that submitted papers are original and not published elsewhere.

Authors submitting a manuscript do so on the understanding that if it is accepted for publication, copyright of the article shall be assigned exclusively to the Publisher.

Scope of the Journal

Acta Poloniae Pharmaceutica - Drug Research publishes papers in all areas of research. Submitted original articles are published in the following sections: Reviews, Analysis, Biopharmacy, Drug Biochemistry, Drug Synthesis, Natural Drugs, Pharmaceutical Technology, Pharmacology, Immunopharmacology, General. Any paper that stimulates progress in drug research is welcomed. Both, Regular Articles as well as Short Communications and Letters to the Editor are accepted.

Preparation of the manuscript

Articles should be written in English, double-spaced. Full name (first, middle initial, last) and address of authors should follow the title written in CAPITAL LETTERS. The abstract should be followed by keywords. We suggest the following structure of paper: 1) introduction, 2) experimental, 3) results, 4) discussion and conclusion.

Instructions for citation of references in the e-journal:

1. In the text, sequential numbers of citations should be in order of appearance (not alphabetically) in parentheses (...) not in brackets [...].
2. In the list of references, for papers the correct order is: number of reference with dot, family name and initial(s) of author(s), colon, proper abbreviation(s) for journal (Pubmed, Web of Science, no dot neither coma after one word journal name), number of volume, number of issue (if necessary) in parentheses, first page or number of the paper, year of publication (in parentheses), dot. For books: number of reference with dot, family name and initial(s) of author(s), colon, title of chapter and/or book names and initials of editors (if any), edition number, page(s) of corresponding information (if necessary), publisher name, place and year of publication.

Chemical nomenclature should follow the rules established by the International Union of Pure and Applied Chemistry, the International Union of Biochemistry and Chemical Abstracts Service. Chemical names of drugs are preferred. If generic name is employed, its chemical name or structural formula should be given at point of first citation.

Articles should be written in the Past Tense and Impersonal style. I, we, me, us etc. are to be avoided, except in the Acknowledgment section.

Editor reserves the right to make any necessary corrections to a paper prior to publication.

Tables, illustrations

Each table, figure or scheme should be on a separate page together with the relevant legend and any explanatory notes. Tables ideally should not have more than 70, and certainly not more than 140, characters to the line (counting spaces between columns 4 characters) unless absolutely unavoidable.

Good quality line drawings using black ink on plain A4 paper or A4 tracing paper should be submitted with all lettering etc., included. Good black and white photographs are also acceptable. Captions for illustrations should be collected together and presented on a separate sheet.

All tables and illustrations should be specially referred to in the text.

Short Communications and Letters to the Editor

The same general rules apply like for regular articles, except that an abstract is not required, and the number of figures and/or tables should not be more than two in total.

The Editors reserve the right to publish (upon agreement of Author(s) as a Short Communication a paper originally submitted as a full-length research paper.

Preparation of the electronic manuscript

We encourage the use of Microsoft Word, however we will accept manuscripts prepared with other software. Compact Disc - Recordable are preferred. Write following information on the disk label: name the application software, and the version number used (e.g., Microsoft Word 2007) and specify what type of computer was used (either IBM compatible PC or Apple Macintosh).
