

Announcement I
International Conference
Scientific Meetings: „From Science to Patient“

On behalf of the Organizing Committee, I have the honor to invite you to participate in the International Conference and Scientific meeting "*From Science to Patient*," organized by the Katowice Branch of the Polish Pharmaceutical Society in cooperation with the Faculty of Pharmaceutical Sciences of Medical University of Silesia in Sosnowiec.

**The event is scheduled for December 9, 2026, and will take place online
(via the Zoom platform and YouTube).**

This conference is a prestigious international scientific event aimed at providing a forum for presenting the latest research findings, exchanging experiences, and discussing current challenges in modern pharmacy and medicine. The event will bring together representatives of the academic community, researchers, experts, and healthcare practitioners. Its international nature will provide an opportunity to exchange knowledge and experience, present research findings, and network.

The scientific program includes the following sessions:

- I. **Synthesis and Analysis of Medicinal Products**
- II. **Drug Formulation – Manufacturing and Preparation; Current Issues in Technology and Formulation**
- III. **Research on Substances and Products of Plant Origin and Their Applications**
- IV. **Pharmacology and Pharmacotherapy**
- V. **Pharmacovigilance and Pharmaceutical Care**
- VI. **Varia**

Each session consists of a 20-minute lecture and four 7-minute presentations.

Participation in the conference is **free** for members of the Polish Pharmaceutical Society and students. For other participants, the conference fee is: **100 PLN/25€**.

The fee must be paid to the account of the Conference Organizer—the Polish Pharmaceutical Society:
